

BURNSHIELD® Contour Burn Dressing

Dissipates Heat

Cooling for Pain Relief

Portable

The cotton based Contour Burn Dressing was developed as an extension to the professional range as a half body and full body dressing which makes this unique for the hospital and pre-hospital environment. It absorbs and dissipates heat which minimises burn damage. Provides cooling for pain relief and shock reduction. The gel is clear and easy to assess the wound and will not adhere. The fibreless cotton supplies comfort, conformity and gel retention.

SAFE FOR USE ON CHILDREN

Non-toxic and non-irritant formula is safe for all ages

ABSORBS AND DISSIPATES HEAT

Gel structure quickly cools and soothes the affected area minimising burn damage

Suitable for:

EMS and hospital

Large area burns
