

Impervious Overhead Thumb Loop Gowns

The Owear Overhead Thumb Loop Impervious Gowns ensure arm and body protection from fluids as well as provide an effective barrier against cross infection. Thumb loop helps keep the gown from riding up the arm.

Impervious

An impervious layer helps provide protection against fluids

Easy to Use

Overhead neck closure allows for quick application and easy removal

Everyday Use

Various suitabilities allow for everyday use

Suitable for:

- Hospital and medical
- Laboratory
