

Garbage Bags

Senturian Garbage Bags are constructed from High Density Polyethylene (HDPE) for strength and security. The design allows the bag to be sealed either in a star shape or a straight line at the base, preventing leaks and ensuring safe disposal of medical waste materials.

Durable

Strong material to prevent against leakages

Versatile

Various sizes and colours available for versatility

Everyday Use

Convenient product for everyday use

Suitable for:

- For everyday use
- Hospital and medical
