

## Non-Woven Bobs

Verasoft Non-Woven Bobs are soft and highly absorbent, they are ideal for use as swabs to apply medications or to remove liquid from various parts of the body. Verasoft Non-Woven Bobs are sterile and single-use.

### Highly Absorbent

Suitable for applying required solutions to the affected area

### Soft and Gentle

Gentle on the skin and ideal for sensitive areas and baby care

### Low Linting

Reduces the risk of wound irritation and minimises the risk of contamination

- Suitable for:**
- First aid
  - Cleaning non-open wounds
  - Absorbing liquid
  - Padding and protection
