

## Adson Forceps - Sterile

Forged from stainless steel, Sage Adson Forceps feature fine tips and a broad handle for easy gripping and control. These forceps are ideal for the easy grasping of tissue and foreign objects.

### Secure Grip

The textured handles ensure a reliable hold, even when wearing gloves

### Extra Fine Tips

For easy grasping and manipulation of tissues

### Blue Ends

Serve as a clear indicator that the instrument is a single-use disposable item, ensuring proper identification and adherence to safety protocols

### Suitable for:

- Dissecting, clamping, and holding tissue in place during suturing
- Grasping and manipulating tissues during medical procedures

REF	Size	Feature	Dispenser Box	Sterility	Pcs/Unit	Units/Ctn
