

Dressing Blunt/Blunt Forceps - Sterile

Forged from stainless steel, Sage Dressing Forceps are lightweight, block end blunt dressing forceps with a serrated, grip handle for easy gripping. These forceps are ideal for applying or removing items during medical procedures.

Secure Grip

The textured handles ensure a reliable hold, even when wearing gloves

Block End Point

Minimises tissue trauma, ensuring a gentle and secure grip for dressing application and removal

Blue Ends

Serve as a clear indicator that the instrument is a single-use disposable item, ensuring proper identification and adherence to safety protocols

- Suitable for:**
- Hospital and medical
 - Clinics
 - Operating suites
